Skate For The 22 Foundation Cinco De Mayo Fundraiser

By Tad Stephanak
April 19, 2022

Each day, 20-22 U.S. Military veterans commit suicide. The Skate for the 22 Foundation provides veterans an outlet while bringing public awareness to the issue through hockey.

The Skate for the 22 was formed to reduce the tragically high number of veteran suicides by providing no cost skills development sessions and get veterans back into a supportive, team environment.

Sonia Rollins & Associates and DaMore Law invite everyone for a night of Cinco De Mayo fun at the Archer Hotel in Burlington to raise money in support of the Skate for the 22 Foundation.

“We first heard about Skate for the 22 Foundation a few years back when they joined the Burlington Area Chamber of Commerce,” said Rollins. “The BACC learned about the great work they do for the men and women who served our country,” Rollins continued. “The statistic of 22 veterans taking their life every day is one that none of us should take lightly. The Foundation is working hard to bring veterans back into a team environment and show them that we see them and they matter.”

The devastating war in Ukraine has driven hundreds of thousands from their homes and into survival mode having lost everything. Burlington's DaMore Law recently took the initiative to help the Ukrainians in their dire situation.

Through a social media post DaMore Law found out that the Burlington High School National Honor Society was running a general supply drive for Ukrainian and Syrian refugees and reached out. Nicole Dupuis is the Director of Business Management at DaMore Law.

“They were up to the idea of DaMore being a drop off location. We're right off of Cambridge Street, so we're a great drop off location. We do it during Thanksgiving, we do it for the seniors at Christmas. We work with HELPIS and I'm involved with Womenade,” said Dupuis.
