I recently worked with this attorney for the closing of my home, and the experience was excellent from start to finish. The entire process was handled professionally, efficiently, and with great attention to detail. Everything was clearly explained, all documents were prepared accurately, and the closing went smoothly without any unexpected issues. A very special thank you to Charlene for her support throughout the process. She was responsive, organized, and incredibly helpful in making sure everything stayed on track. Her communication and professionalism truly made a difference. I highly recommend their services to anyone in need of a reliable and knowledgeable real estate attorney.

**DaMore Title & Closing was great in helping me close on my first fix and flip**

DaMore Title & Closing was great in helping me close on my first fix and flip. Excellent communication and helped me along the way by answering questions and handling the hard stuff. Charlene was the best paralegal I could ask for, staying on top of everything and double checking every detail prior to closing to make sure we were ready.

# **We had an amazing experience with Jill, Charlene and the DaMore team.**

We had an amazing experience with Jill, Charlene and the DaMore team. Our sale was complicated with a quick turn around as we were selling on a Friday and closing on a new house purchase in a different state on Monday. Excellent communication and management of the process throughout. One more thing. We were traveling and not in the US for the closing. So smooth. Thank you, thank you, thank you!

They handled the sale of my land with the title issue and the purchase of my new home with ease, lots of communication and very little effort on my part. I highly recommend them!

Peter, Matt, and Charlene were easy to work with, suggested options when issues cropped up that prevented the buyers did from making the agreed to closing date. They take the time to make sure you understand the process. I would definitely use them again.

## **What an amazing experience I had with Damore Law**

What an amazing experience I had with Damore Law. They guided me through a very difficult house sale that included dealing with Probate court. Taana, Assunta, and Kerry talked me through the probate process and executed the License to Sell. They were on top of every issue. Charlene then took over for the sale of the house. I cannot say enough about her. She was organized and precise assuring I only had to do things one time. She was on top of everything and communicated with me at every turn. I highly recommend this firm.
