It really was an honor and a pleasure to work with Charlene as our real estate legal representative. My wife and I are so grateful for your help. You made what seems like a daunting process so simple for us to understand. You broke down the process and took your time to explain the steps to us. We cannot thank you enough. We appreciate your help and highly recommend DaMore Law. Thanks again!

# **Both were professional, friendly and knowledgeable!**

Our family had an excellent experience dealing with Matt Byrnes and Charlene McGowan. Both were professional, friendly and knowledgeable! I was very impressed with the diligence and patience both demonstrated through this long complicated sale. I would certainly recommend this organization.

We hired Peter to handle the closing of the sale of our home. Peter and Charlene are a wonderful team! We were so impressed by your professionalism, competence, attention to detail, and efficiency. You were able to accomplish what we thought was impossible. You made the closing of our home a stress free process. We could not be happier with how you handled everything.

With gratitude,

My husband and I retained Peter and his team to assist with the closing of our home. Peter came highly recommended by our Realtor and I now see why. He and his team provides top notch service. Charlene on his team can only be described as amazing. She made everything simple and easy. Charlene was always one step ahead of everyone and everything. If only I could have had her plan my entire move. The world needs more Charlene's!!!
