As a Realtor I have been working with DaMore Law for more than fifteen years and have always had a great experience with the entire firm. Recently my husband and I had the pleasure of working with Jill Taintor for our Estate Planning. Jill was extremely helpful, professional and answered all of our questions. I will continue to use DaMore Law for my professional and personal needs. Highly recommend!

We had a highly professional experience on our estate planning. Jill Taintor walked us through the process clearly and answered all our questions and concerns.

She was very thorough with her explanations of the details

We recently had Jill Taintor help us complete our estate planning. We were honestly dreading the whole process and I'm embarrassed to say we had put it off for a few years because of this! I'm happy to share that Jill made the whole process seamless and so EASY for us! She was very thorough with her explanations of the details and consistent with her follow up. She also took care of any changes we needed promptly so we always felt like we were a priority. We absolutely love working with the team at DaMore Law because they are incredibly consistent with their service and have the best people in the business for all of our needs! Thank you!
