**DaMore Law made closing on my
property very easy.**

DaMore Law made closing on my property very easy. Big thanks to Pauline and Matt!

**We appreciated their support in
the process**

Matt & Rebecca helped us as we closed on our condo recently. We appreciated their swift responses, professionalism, and help navigating some negotiations that required nuance. Updated 5/2022: We just sold a property with Matt (& this time Charlene), and again we appreciated their support in the process.

**I highly recommend this law
firm!**

I worked with Matthew Byrnes for a home purchase. The whole process was professionally and efficiently done. I highly recommend this law

firm!

I can not thank you enough for their help

Worked with Mathew Byrnes and Devon Sullivan. Very professional and pleasure to work with. Got the selling property paperwork work done in very short period of time. Communication was very timely and punctual. Impressed with their professionalism. We were both out of the state and that didn't hinder the process at all. It was pleasure to work with both of them. I can not thank you enough for their help and professional work that they provided.

I highly recommend Damore Law

Damore Law handed the closings for both my condo sale and new property purchase, as part of a 1031 exchange. They could not have been more helpful. It was my first 1031 and I was anxious throughout the entire process that I would make a mistake that would nullify the exchange. They patiently answered my many (many!) questions, they were extremely responsive, and they worked seamlessly with my mortgage company and qualified intermediary to make sure there were no hiccups. Matt Byrnes and Charlene McGowan were top notch – not to mention just really nice people! – and I look forward to working with them again when I find my next investment property. I highly recommend Damore Law.

Fast, friendly and knowledgeable

Fast, friendly and knowledgeable service. This was my second closing with Matthew Byrnes and probably not my last!

Caroline and Matthew make an excellent team

The DaMore Law Team went above and beyond to see us through all the stress and struggles of selling our home. Caroline and Matthew make an excellent team. We can't thank you enough for your professionalism and patience, you made us feel so safe and secure. It was always a pleasure to speak to Caroline and she was on top of every detail of the transaction. Matthew protected our interests and made sure we were not being taken advantage of. We will be back when we are ready to purchase our next home. Thank you so much!
