Peter and team at DaMore Law made our first home buying experience extremely easy to navigate and my wife and I are very happy to have worked with them. They stayed in touch with our realtor and lender throughout the entire process, working with them seamlessly to make things as easy as possible for us as buyers, and were always available and responsive whenever we had questions. (Which we had many). Will highly recommend them to anyone we know who may need their services.

# **Each one of these processes were seamless**

We have worked with Peter and his team in the past, closing on our first house, then selling it, then closing on our new house this week. Each one of these processes were seamless, and handled with care and professionalism. Everyone at DaMore Law has been knowledgeable, easy to reach, answering all the questions we have had along the way, and staying on top of every detail. Should we ever need a legal advise within many services they provide, we will certainly be returning to DaMore Law! Thank you Peter and Team!
