I was very pleased with Attorney DaMore and his staff and have already recommended him to family and friends. I've been a business owner in Burlington for 40 years and must say, he made the condo passing a breeze. Thanks Peter

Attorney DaMore and his team have helped me on seven real estate transactions since 2004! He and his team have always been very professional, responsive and going above and beyond on each of the cases I needed help with. I have recommend him to my friends overseas, and they were very much impressed by the work that Attorney DaMore and his team have done. It has been a truly wonderful experience for me for over 10 years!

My wife and I used Peter for the purchase of our first home. The experience was flawless and we did not have to do much because his

staff was on top of everything. His paralegal Peggy was working with us on a Saturday to ensure that we were able to close on time. I would strongly recommend using Peter and his staff.

Peter and his team were wonderful to work with. They guided us throughout the process, represented us to other attorneys with a complex settlement and delivered a smooth, "no-issue" closing. I would most highly recommend Peter and his team for future Legal counselling.

We hired Peter to handle the closing of the sale of our home. Peter and Charlene are a wonderful team! We were so impressed by your professionalism, competence, attention to detail, and efficiency. You were able to accomplish what we thought was impossible. You made the closing of our home a stress free process. We could not be happier with how you handled everything.

With gratitude,

Colleen and Jack Hammond

Peter and Team were so easy and great to work with. Moving to MA from out of state the process for buying a home was COMPLETELY different than what I had done out west but they took great care of us and helped us figure out insurance documents required for closing, procedures, and even wiring the funds was a breeze. We would definitely work with them and recommend them to a friend. Thanks!

My husband and I retained Peter and his team to assist with the closing of our home. Peter came highly recommended by our Realtor and I now see why. He and his team provides top notch service. Charlene on his team can only be described as amazing. She made everything simple and easy. Charlene was always one step ahead of everyone and everything. If only I could have had her plan my entire move. The world needs more Charlene's!!!
