

Peter and his team helped my fiance and I close on our new home. Everything was prepared ahead of time and any questions that we had were answered promptly either by phone or email. The closing went smoothly and we were in and out in just under an hour. I highly recommend the Law Offices of Peter DaMore.

My wife and I retained Peter and his team to negotiate the P&S and take care of the closing for the sale of our first home. Peter came highly recommended by a friend of a friend, and I (uncharacteristically) didn't "shop around" and compare reviews, etc., before retaining him. I'm glad I didn't waste my time! Peter and Charlene were great! The whole process was quick and easy. We were able to do most of it via email. My wife and I only had to go to the office to sign the Power of Attorney. Peter and his team handled the rest. It was a great experience.

We were comfortable from the very beginning

Attorney DaMore and his team have always gone above and beyond to take care of our needs. This is one time when we can say we can leave matters to someone else and the job will get done. Thank you Peter, Charlene and Peg for your top notch abilities, professionalism, flexibility and personalized services. We were comfortable from the very beginning knowing you had our issues taken care of!

It was our first time home buying. And we have been listening many things from people, that attorney will kill you in fees and other

charges. But the way Peter handle our case from start to end; it's a speechless.

I truly appreciated Peter and his team.

I would definitely recommend Pater to my friends and family.

I would highly recommend Peter as it was our first time selling our home and he made it easy.

I have worked with Peter and his team on many closings, and the level of service and expertise is always consistent. I am always impressed with how organized and efficient they are. I highly recommend Peter to my clients, because I know the job will be done well, and the clients will be handled appropriately, whether first-time or experienced buyers and sellers.

Peter made the closing of our first home very straight-forward process. He was courteous, professional, and as a result things went very smoothly. I would highly recommend Peter.

I highly recommend the law offices of Peter T. DaMore, Jr. I have worked with Peter twice now in the original purchase of my house and again in the sale of it years later. Peter is thorough, professional and just nice to deal with. Additionally, Charlene McGowan made the entire experience incredibly easy and painless. Special thanks to

them both.

Peter was my lawyer when I bought the property, he did an outstanding thorough job. Needless to say, when I was ready to sell it, I chose him again. The work was seamless. The fee reasonable. I will definitely come back when I'm ready to purchase another property. Special thanks to Charlene!

My husband and I just purchased our first home and we used the law offices of Peter T DaMore to conduct our closing at the recommendation of our real estate broker! Peter and his team are the best in the business! They are professional, knowledgeable, and courteous! They made our closing a breeze in terms of both time and understanding! I highly recommend this law firm to anyone who is in the home buying process! Thank you so much for your exceptional service!

Sincerely,
Meridith and Albert Jones
