

We highly recommend the Law Offices of Peter T. DaMore, Jr. Peter's expert legal advice made for a quick and seamless closing for the recent sale of our home. He looked out for our best interests throughout the entire process. We were very happy to work with Charlene McGowan, who responded to all of our questions and concerns in a prompt and thorough fashion. It truly was a pleasure working with them. Thank you Peter and Charlene!

He is the utmost professional

My husband and I have done several closings with Peter and always find him to be extremely responsive and accomodating to our needs. He is the utmost professional and certainly knows the business and how to get things done. Peter and his staff make what can sometimes be a stressful situation, much more pleasurable!

Great job by Peter and his team.

Great job by Peter and his team . Thanks Peggy for all your hard work .

We were under pressure to close

We were under pressure to close on specific date as I was leaving for business trip and needed to close prior to my leaving. The day of closing there was a big snow storm, however Peter and Paula did not cancel and fit us in so that we could close on time. All documents were ready and we signed and closed in less than 30 minutes. Communication from Paula was incredible and as a licensed Realtor I

have experienced many many closings!!

Great job

Great job. Peter has done several closings for me over the past few years. They always go quickly and smoothly. All anyone could ask for.

Peter made the trip to my home

Peter and his team have performed one closing and 4 refinance processes for our home and investment properties. During our most recent closing I was unable to leave my home due to a surgical procedure and Peter made the trip to my home and completed the transaction with my wife and I. We appreciate his attention to detail and customer service and would highly recommend his firm.

The are professional and customer oriented

Peter and his team have closed my 4 refinances in the last 3 years. They are professional and customer oriented. I would highly recommend them.

He was very responsive and took great care of them

I referred some clients to Peter for a P&S review and closing. He was very responsive and took great care of them. The two buyers had to sign separately due to scheduling conflicts. Peter and his staff were very accommodating and made it a stress-free process for them.
