wanted to express my sincere gratitude

I wanted to express my sincere gratitude for DaMore Law's exceptional work in closing. Your expertise, attention to detail, and dedication made the process smooth and successful. We couldn't have done it without you. Thank you!

We wanted to say thank you for helping us

Peter, Caroline & Tiffany,

We wanted to say thank you for helping us both with the selling of our condo and the purchase of our house. You all made it as smooth and easy as possible. We would definitely recommend DaMore Law for anyone looking for services!

This has been our second positive experience working with DaMore Law

This has been our second positive experience working with DaMore Law and, specifically, Attorney Jill Taintor and Attorney Peter DaMore. The communications were responsive and all fees were transparent. Closing on a home can be a very stressful experience however this firm makes the process straightforward. Also glad to see they offer other legal services (i.e. estate planning, etc.). I'll be sure to reach out soon with these needs. Thank you!

Peter always made time to answer any of my questions during the process

As a first time home buyer, I really appreciated my experience with this firm. Peter always made time to answer any of my questions

during the process. I've even reached out post-close with questions and he will still get back to me with a timely response. Highly recommended!

Peter and the DaMore Law team took care of everything

We were the sellers. We didn't know where to begin. Our situation wasn't your average one seller, one buyer: we had powers of attorney, an irrevocable trust, a living trust...all with different banks and accounts and TINs. Peter and the DaMore Law team took care of everything. They knew exactly what was needed the minute we sat down with them, and explained the process to us. They returned every phone call and every email we sent, and answered every question (and we had plenty). They took what we thought would be a disaster and simplified everything. Oh, btw, not sure if I left a review when I hired them to do my will: Sharlene Davis was the attorney who handled it, and just like the review above regarding the home sale, top notch.

Peter and Jenn provide outstanding service helping with my home's closing

We had a great experience working with DaMore law. Peter and Jenn provide outstanding service helping with my home's closing. Their attentiveness, professionalism, and expertise were greatly appreciated.

I am aware of the solid reputation of DaMore law and will absolutely refer them to my future clients

It was a pleasure to work with such a great team. Atty. Matt Stearns, Jenn C., and Peter DaMore represented my client throughout the process of a first-time home purchase. They were consistent in their communication, advice, and responses to any questions that were posed. The closing was smooth and efficient. As a local Realtor, I am aware of the solid reputation of DaMore law and will absolutely refer them to my future clients.
