

Outstanding representation

Outstanding representation. Simplest residential closing I have been a part of. The team answered all questions, prepared all documents and made the closing experience professions, easy and complete.

Charlene was extremely helpful

Peter was extremely knowledgeable about our closing and represented us in the most professional way. He pushed back to the opposing attorney when needed and it worked out in our favor. Charlene was extremely helpful and assisted us in with all the documents needed. Very pleasant. Thank you both for a smooth and quick house closing.

The process was seamless and professional

Peter and Team, thank you very much for your help with my closing. The process was seamless and professional. Everyone in the office

was very friendly. I will recommend your services to all of my friends!

Peter Damore made the whole process seamless.

Damore Law closed a couple real estate purchases in the Killington area. Peter Damore made the whole process seamless. In addition to the closings, his firm also set up LLCs for properties and also transferred ownership into the LLCs. Thank you Damore Law for simplifying real estate transactions!

He brought a level of comfort, support, and professionalism

I can't say enough good things about Damore Law. We were able to close on the purchase of our new home in the Killington area while simultaneously closing on the sale of of our family home of 48 years in Massachusetts. Peter not only made this a seamless transaction, he brought a level of comfort, support, and professionalism during an emotional, exciting time. Thank You Damore Law, and Peter for such a great experience!

I was able to close on both

homes the same day.

Worked with Peter, Matt and their staff for the transaction of sale of my current home and purchase of my new home, both in NH. I was able to close on both homes the same day. Everything went smooth and I would recommend and work with them again. The team communicated with me frequently, often and made the whole process much easier for me while representing my best interests.

Peter got back to me in a timely manner

I recently purchased a condo using Damore law. Peter got back to me in a timely manner with any questions or concerns I had. The process went smoothly.

Things went so smoothly on closing day before we knew it we were first-time homeowners!!

My fiancé and I were first-time homebuyers and Peter couldn't have been more helpful. There were times that we felt overwhelmed, but Peter was always available to answer our questions. Things went so smoothly on closing day before we knew it we were first-time homeowners!! Thanks again!
