

# **Rebecca was also very helpful in keeping good communication**

It was absolutely a pleasure working with DaMore Law in the purchasing of our new home in MA. We are transplanting our roots from the West Coast to MA and when we were in the process of buying our new home we were highly encouraged to work with DaMore Law for the corresponding transactions and closing. Peter was exceptional providing professional guidance to us during the process and even making accommodations to complete the closing process out of regular office hours. Rebecca was also very helpful in keeping good communication of what was needed from us and next steps to complete the closing process. Thanks to their diligence, coordination and effort in all the activities that happened behind the scene and that we as customers never have the chance to see and experience, the closing process was a very easy one actually, one of the easiest that we have had in recent years. We wish to the DaMore Law team to continue walking a successful path in the future and continue serving clients in the same outstanding way that they did with us. Many Blessings to All!

# **Worked with Peter DaMore Jr. on the purchase of our condo**

Worked with Peter DaMore Jr. on the purchase of our condo. Besides a thorough review & timely response, Peter was very helpful in answering any question we had. Thank you so much & I will definitely recommend Peter DaMore Jr. for any real estate attorney/conveyancing title work.

# **My wife and I closed on a refinance a week ago**

My wife and I closed on a refinance a week ago, at the DaMore Law offices. This firm was recommended by our lender and we couldn't have been happier with the professionalism of everyone we dealt with. It is a bit strange to have to sit in the car to do all the signing (Peter said it was close to 100 signatures!) but Peter answered all questions and was pleasant to talk to. Prior to the closing, all questions were quickly answered by our contact person, Jenn Currie. She, too, was very pleasant and helpful, and she sent all the paperwork to us for review a few days before the actual closing. I would highly recommend them, and thanks them for their great service.

## **Peggy & Peter are great!**

Peggy & Peter are great! Very responsive, thorough, and patient. As a first time home buyer I had a lot of questions, and both Peggy & Peter took the time to answer my questions and help me understand what certain things mean. This was really important to me, and they helped make buying a home a positive learning experience. Thank you for all of your help!

Buying/selling a home is a stressful process – having a great team on your side makes all the difference! I would, and have, recommend(ed) the DaMore team to anyone!

## **I've worked with DaMore Law**

I've worked with DaMore Law on two purchases, a sale, and a refinance in the last few years on recommendation from my Realtor and Mortgage company. Peter and team have been great and every transaction I've made was made as easy to understand as possible, especially important for a first time buyer as I was. I'd highly recommend them for anyone in the area!
