

They are phenomenal at working with all of the other various agents and lawyers

Peter and his team helped us close on the sale of our house back in June of this year. He and Charlene were extremely efficient and responsive and helped to work through the hurdles of the closing process with very little stress or effort on our part. They are phenomenal at working with all of the other various agents and lawyers that may be involved in the transaction and went out of their way on numerous occasions to make sure our closing was timely and painless. Thanks again for all your help!!

All aspects of the sale went smoothly with no problems

Law Offices of Peter T DaMore were used for the sale of our home. Charlene not only kept us informed of the status through-out the selling process but also let us know what was impending so we could make our moving plans. Thank you Charlene. All aspects of the sale went smoothly with no problems. Granting Power of Attorney to Peter allowed us to move out of state before closing. A very nice experience using his office, it couldn't have went better.
