Working with the team at DaMore Law was fantastic

Working with the team at DaMore Law was fantastic as a first-time home buyer. Sharleen is a very knowledgeable and personable attorney and Jenn ensured the closing process went smoothly.

Sharleen was fantastic on the closing of our home

Sharleen was fantastic on the closing of our home despite some unexpected obstacles from the sellers. Would recommend to anyone!

Peter and the DaMore Law team took care of everything

We were the sellers. We didn't know where to begin. Our situation wasn't your average one seller, one buyer: we had powers of attorney, an irrevocable trust, a living trust...all with different banks and accounts and TINs. Peter and the DaMore Law team took care of everything. They knew exactly what was needed the minute we sat down with them, and explained the process to us. They returned every phone call and every email we sent, and answered every question (and we had plenty). They took what we thought would be a disaster and simplified everything. Oh, btw, not sure if I left a review when I hired them to do my will: Sharlene Davis was the attorney who handled it, and just like the review above regarding the home sale, top notch.

**Honest, efficient, and thorough.

They were kind, responsive, and clear

I worked with Jenn and Sharleen for the closing. They were kind, responsive, and clear in what they were providing for me, they were so professional. I will certainly be using them in any future needs,

I would recommend it without hesitation.

DaMore Law is the only option for a Real Estate closing!

DaMore Law is the only option for a Real Estate closing! Peg and Sharleen made the process painless and really assisted above and beyond. 100% recommended

They were kind, responsive, and clear

We worked with Jenn and Sharleen for first home, and we couldn't have asked for anything more. They were kind, responsive, and clear in what they were providing for us as well as what they needed for us to get the home we desired. Neither could have offered more professionalism, and we will certainly be using them in any of our real estate needs in the future. We recommend without hesitation.

We would not hesitate using DaMore Law in the future.

My wife and I have been working with Sharleen Davis, Jenn Currie, Caroline Junta and Peter DaMore for the past 2 months buying a new home and selling our home. We have found the entire team to be most professional, efficient, very knowledgeable regarding real estate

law, and most courteous. We would not hesitate using DaMore Law in the future.

I can't say enough about the professional service

I can't say enough about the professional service from Sharleen Davis and Charlene McGowan during the sale of our home. They kept us informed every step of the way and guided us through the paperwork. Thank you both.
