**I would highly recommend DaMore Law, and especially Sharlene, to hire for real estate matters.**

After 3 decades of living in my home in Burlington, I decided to downsize and sell my house. My realtor, Joanna Schlansky, recommended DaMore law to help with the legal components. Sharlene Davis was the attorney who expertly helped me through the process. She was very responsive in answering my questions and guiding me with those components that the seller needs to complete. I would highly recommend DaMore Law, and especially Sharlene, to hire for real estate matters.

# **She handled all of our documents and made the process painless**

Sharleen Davis was our closing agent for a recent home purchase. She was great! Prompt responses to all of our questions and handled our compressed timeline with ease. She handled all of our documents and made the process painless (at least as much as one can in the greater Boston housing market).

# **She went above and beyond**

I worked with Sharleen Davis in this office and was very impressed with her prompt professional service. She went above and beyond the ask to manage what became a rather complex purchase, including supporting the seller attorney to ensure a successful outcome. We closed recently and I am very grateful for all her hard work, along with the other folks on her team.

# **Sharleen Davis was a pleasure to work with**

We used DaMore Law to refinance our mortgage. She made everything easy. Added bonus was that we were able to sign all of the documents from the safety of our car during COVID.
