All our questions were answered promptly and to the point

Peter DaMore, Sharleen, Rebecca and all teams members at DaMore law were extremely helpful in our home buying process. All our questions were answered promptly and to the point. All the steps (purchase and sale agreement, closing documents etc.) were completed seamlessly. Thanks for all your help!!

They are knowledgeable, friendly, responsive and professional

I just completed my second transaction working with Sharleen Davis and Charlene McGowan and like the first time, it was the best I could have asked for. My transaction was complicated by the fact that I recently moved out of MA but that wasn't even a tiny roadbump for the Sharleen/Charlene team. They are knowledgeable, friendly, responsive and professional and I would highly and unreservedly recommend them to anyone looking to engage a real estate attorney.
